### Project status

This repository is an **unpublished thesis/study artifact** created by **Lukas Bieringer** (Bachelor thesis, Wirtschaftsinformatik, 2025/26).  
All rights reserved.

### Permitted use

Use is permitted only for:

- running, reproducing, and evaluating the bachelor thesis study system in an agreed academic context (e.g., supervision, grading, review).

Any other use requires prior written permission by the author, including:

- redistribution
- publication
- commercial use
- reuse of substantial parts of the project outside the thesis context

### Third-party software

This repository uses third-party open-source components (e.g., LangGraphJS, LangChain Agent Chat UI) that remain under their original licenses (primarily MIT).

See `docs/THIRD_PARTY_NOTICES.md`.
